

Village of North Kingsville

3541 East Center Street

PO Box 253

North Kingsville, Ohio 44068

(440) 224-0091

January 20, 2021

This was just sent from the Health Department:

VACCINE PRE-REGISTRATION

We regret that our phone system cannot handle the volume of calls we are getting. Although we are taking the calls as they can get through, this new online form will be the fastest way to get added to this list.

While this week is for Phase 1B: age 80 and over, anyone 65 and over can complete this form. If you are able to fill this out versus calling, please do so.

We are grateful for your patience during this time.
